

CAT 5e UTP COPPER CABLING SYSTEM

Performance Without Compromise

Superior Essex Marathon LAN® cable provides more overall value than any other CAT 5e product available today. The cable meets all of the ANSI/TIA/EIA 568-B.2 specifications and offers other features that make it easier to install, more reliable after installation, and more cost effective. Combined with Leviton GigaMax® 5e and 5e+ connectors, patch panels, and patch cords, the NextLAN CAT 5e system provides exceptional CAT 5e performance guarantees at the value afforded only by CAT 5e technology.
